

ISLE OF MAN

TOURIST TROPHY

2026 MEDIA EVENT INFORMATION

VERSION 2026.3 - 8 MAY 2026

Please note: this is a live document and subject to amendments and updates

WELCOME

**We look forward to welcoming you to the
Isle of Man TT Races, taking place from
Monday 25th May to Saturday 6th June.**

In this document you'll find important information with regards to media accreditation, the TT Press Office, and on-event operations.

The updates are the result of a collaborative process between the Isle of Man Government Department for Enterprise, ACU Events Limited, and the Isle of Man Government Health and Safety at Work Inspectorate, and have been introduced to raise the professional standards of accredited media, allow for better management of accredited media, and to improve safety standards and risk mitigation for accredited media.

We encourage you to study this document fully.

Should you have any questions, please do not hesitate to contact the TT Press Office. Contact information can be found at the end of this document.

The 2026 Isle of Man TT Races take place between Monday 25th May and Saturday 6th June.

The event is organised on a partnership basis between the Isle of Man Government Department for Enterprise as Race Promoter, and ACU Events Limited as Race Organiser in accordance with the ACU National Sporting Code, the Road Racing Standing Regulations, and the Environmental Code. The event is held on the 37.73-mile TT Mountain Course in accordance with the Road Races Act 2016.

The TT Press Office is operated by the Department for Enterprise Motorsport Team in the strategic interests of the Department and the Isle of Man TT Races, and acts under the authority of the Race Organiser.

MEDIA ACCREDITATION

Applications for media accreditation for the 2026 Isle of Man TT Races must be submitted via the Isle of Man TT Races Press Site: press.iomttraces.com

Accreditation will open on [Wednesday 14th January 2026](#) and will close at [17:00 GMT on Wednesday 25th March 2026](#).

Requests for accreditation can be made after this date by emailing the TT Press Office. Decisions on processing and evaluating late applications will be made on a case-by-case basis.

Media accreditation is issued on an individual basis. Organisations seeking accreditation for multiple personnel must submit an [application for each individual](#) seeking accreditation.

ACCREDITATION CATEGORIES ARE:

- Public Relations
- Journalist
- Photographer
- Radio
- TV, Film & Videography
- Content Creator

MEDIA ACCREDITATION

All applications **must** include a passport-style photograph, details of their working brief, and a commissioning letter from either:

- The editor or publisher of a publication or news outlet, with a guarantee that the applicant's coverage will be published;
- A representative from an industry-relevant company or brand;
- The team manager of a TT race team - if filming on behalf of a competitor please refer to Competitor Media Policy.

Individuals who have previously received media accreditation for the Isle of Man TT Races must provide a minimum of three examples of previously published work relating to the Isle of Man TT Races for either:

- A paid-for print publication with at least 3 published editions;
- A free print publication with a minimum circulation of 200,000 copies;
- A digital outlet or social media brand with a minimum audience of 100,000.

Individuals who have not previously received media accreditation for the Isle of Man TT Races must contact the TT Press Office prior to submitting their application to confirm details of their accreditation requirements and their commission, with applications evaluated on a case-by-case basis.

Some applications will be required to submit further documentation and complete additional steps dependent on the accreditation category - see Pass Types & Allocation.

The TT Press Office may request further information regarding your application and will endeavour to process all applications by 1st April 2026, however applications may still be reviewed in the week prior to the event.

PLEASE NOTE: The TT Press Office reserves the right to refuse any accreditation application or withdraw any accreditation. Reasons for these actions include, but are not limited to, the following:

- If the TT Press Office believes the application is not in the strategic interests of the Isle of Man TT Races;
- If the applicant has previously had a media pass withdrawn under the authority of the Race Organiser;
- If the applicant has been defamatory to the Race Organiser, Race Promoter, or TT Press Office.

Department for Enterprise such
as: event sponsors, leading press
and media organisations**

HOST MEDIA

issued to

**INDIVIDUALS WORKING
EXCLUSIVELY and DIRECTLY for
the Department for Enterprise**

MEDIA PASSES

PASS TYPES & ALLOCATION

As part of the accreditation process, individuals who would receive Media, Media Plus, or Host Media passes must provide the following further documentation for the TT Press Office's reference:

- A copy of their Public Liability Insurance with a minimum coverage of £5,000,000;
- A written copy of a Risk Assessment from their organisation which identifies hazards, evaluates associated risks, and details reasonable control measures to mitigate hazards the applicant may encounter whilst operating in areas requiring pass access around the TT Course.

If their application is approved, individuals who would receive Media, Media Plus, or Host Media passes will be invited to complete an online test designed to assess their proficiency to operate in non-public areas around the TT Course. These individuals must successfully complete this test within the first two attempts to receive their media pass.

Media and Media Plus pass holders are required to wear an associated tabard when operating in any areas requiring pass access during all periods of road closure for racing activity.

PLEASE NOTE: The TT Press Office may, acting under the authority of the Race Organiser, withdraw any media pass at its discretion. Reasons for pass withdrawal include, but are not limited to, the following:

- Ignoring the instruction of event officials or marshals;
- Verbally or physically abusing event officials or marshals or using threatening behaviour;
- Entering an area not permitted with the level of assigned media pass without authorisation - see Media Pass Access;
- Bringing the event into disrepute.

PASS ACCESS

The following table details areas accessible to accredited media by pass type:

ACCREDITATION CATEGORIES ARE:

1. No interviews permitted
2. With Fireproofs and with Team Pass
3. Must clear area on 7-minute signal.
4. With associated tabard
5. Access to Green Zones in Restricted Areas is permitted
6. On instruction from a Marshal

LOCATION	LOCATION DETAIL	JOURNALIST	MEDIA	MEDIA PLUS	HOST MEDIA

ACCREDITATION PROCESS

MEDIA GREEN ZONES

Media Green Zones are zones for use by accredited media personnel with the requisite pass and are within areas off limits to the public.

Each Media Green Zone has [specific boundaries, access points, and limits](#) on the number of media personnel that may operate from them at any one time.

In introducing these Media Green Zones, the Race Organiser - with support from the Race Promoter - has endeavoured to ensure that media personnel will be able to capture the content necessary to fulfill their working commissions and provide insightful coverage of the Isle of Man TT Races, whilst operating to improved levels of risk management and mitigation.

The Race Organiser will review and evaluate Media Green Zones on a regular and ongoing basis.

For the 2026 Isle of Man TT Races there are a total of 20 Media Green Zone locations around the TT Course. Details of which can be found in the [2026 Media Green Zone Information included as an appendix](#) to this document.

ASSEMBLY AREA & STARTLINE ACCESS

Access to the **Assembly Area** and **Startline - Nearside** for Media pass holders is available with the addition of an Official Guest pass.

A **limited number** of Official Guest passes are available per day for media use and are issued by the TT Press Office upon request.

Requests will be granted on a case-by-case basis and must be made by contacting the TT Press Office and should specify the day or race requested along with reasoning. All requests must be received prior to the event and should be submitted by the Accreditation Closure Date.

MEDIA PEN

Journalist pass holders will have access to a Media Pen for post-race interviews with the top-three, podium finishers.

The podium finishers will be made available to interview **after** their TT Mercury Club and Fan Park Stage appearances which take place immediately after the podium ceremonies.

The Media Pen is located at the rear of the Fan Park Stage.

MEDIA CENTRE

The Media Centre is found at the rear of the TT Grandstand and operated by the TT Press Office.

WI-FI: Free internet access is available in the Media Centre.

SUSTAINABILITY: In order to reduce paper usage, qualifying and results will be available only through the official website and event Live Timing Service: timing.iomttraces.com

DESKS: Should you wish to reserve a work space, please speak to a member of the TT Press Office upon your arrival.

FACILITIES: On-site toilets and amenities, plus a kitchen located in the main Media Centre room.

LOCKERS: A small number of lockers are available within the Media Centre. Lockers are not to be used for the storage of belongings overnight and must be emptied daily. Keys are available from a member of the TT Press Office.

TRAVEL: Motorcycle and badge holder parking available at Nobles; free parking at St George's. No other on-site parking and no reserved media parking. More details can be found here: iomttraces.com/visit/travel/travelling-to-the-grandstand-and-paddock/

PLEASE NOTE: The Media Centre will not be manned by TT Press Office personnel at all times. All items left in the Media Centre are left at the owners' risk. Neither the TT Press Office nor the Department for Enterprise accept responsibility for loss, theft, or damage to property. CCTV is not in operation in the Media Centre.

MEDIA PACK

All accredited media will receive a Media Pack containing their pass, lanyard, and an event programme.

Media, Media Plus, and Host Media pass holders will also receive an associated tabard which must be worn when operating in any areas requiring pass access during all periods of road closure for racing activity. These tabards must be returned to the TT Press Office no later than Sunday 8th June. Failure to return a tabard by this deadline will result in any future accreditation application being refused.

Media Packs can be collected from the Media Centre. All members of accredited media must sign a Race Organiser waiver when collecting their Media Pack. The waiver confirms that the individual will act in accordance to instruction from the Race Organiser, event officials and marshals, that the individual acknowledges the risks inherent to motorsport, that they will undertake their duties with due and proper regard for their own safety, and that they acknowledge their participation in the event is entirely at their own risk.

PLEASE NOTE: Media Packs must be collected by the individual to whom the pass is issued. It is not possible to collect a Media Pack on behalf of anyone else.

MEDIA CENTRE OPENING TIMES*

SUNDAY 24	09:00 - 11:00
MONDAY 25	09:00 - 18:00
TUESDAY 26	16:00 - 22:00

EVENT COVERAGE

SCHEDULE INFORMATION & UPDATES

Please follow the TT Infoline Whatsapp channel for updates on the Isle of Man TT Races schedule.

Scan the QR code or visit: iomtraces.com/ttinfoline

The schedule is also updated at: iomtraces.com/schedule

INTERVIEW REQUESTS

The TT Press Office will endeavour to assist with any requests for interviews with competitors, team personnel, or event personnel.

In order to best fulfill your requirements, interview requests should be made before the start of the 2026 Isle of Man TT Races wherever possible.

TT+ LIVE COVERAGE

Live coverage of the 2026 Isle of Man TT Races is available exclusively via the TT's digital channel, TT+.

TT+ is available online at tplus.iomtraces.com and available as an app on all major platforms, including Apple and Android devices, Android TV, Amazon FireTV, Samsung Smart TV, ROKU, and Xbox One.

Live coverage will be broadcast in the Media Centre. If you require personal access to the Live Coverage to support your media coverage, please contact the TT Press Office.

LIVE TIMING

Live event timing is available for free at: timing.iomtraces.com

RADIO

Live radio coverage is available via the event's live timing service at: timing.iomtraces.com

EVENT COVERAGE - MEDIA IMAGERY

REGISTER FOR ACCESS: [MEDIA.IOMTTRACES.COM](https://media.iomttraces.com)

To support accredited media throughout the event, the Isle of Man TT Races operates a dedicated Media Portal at media.iomttraces.com.

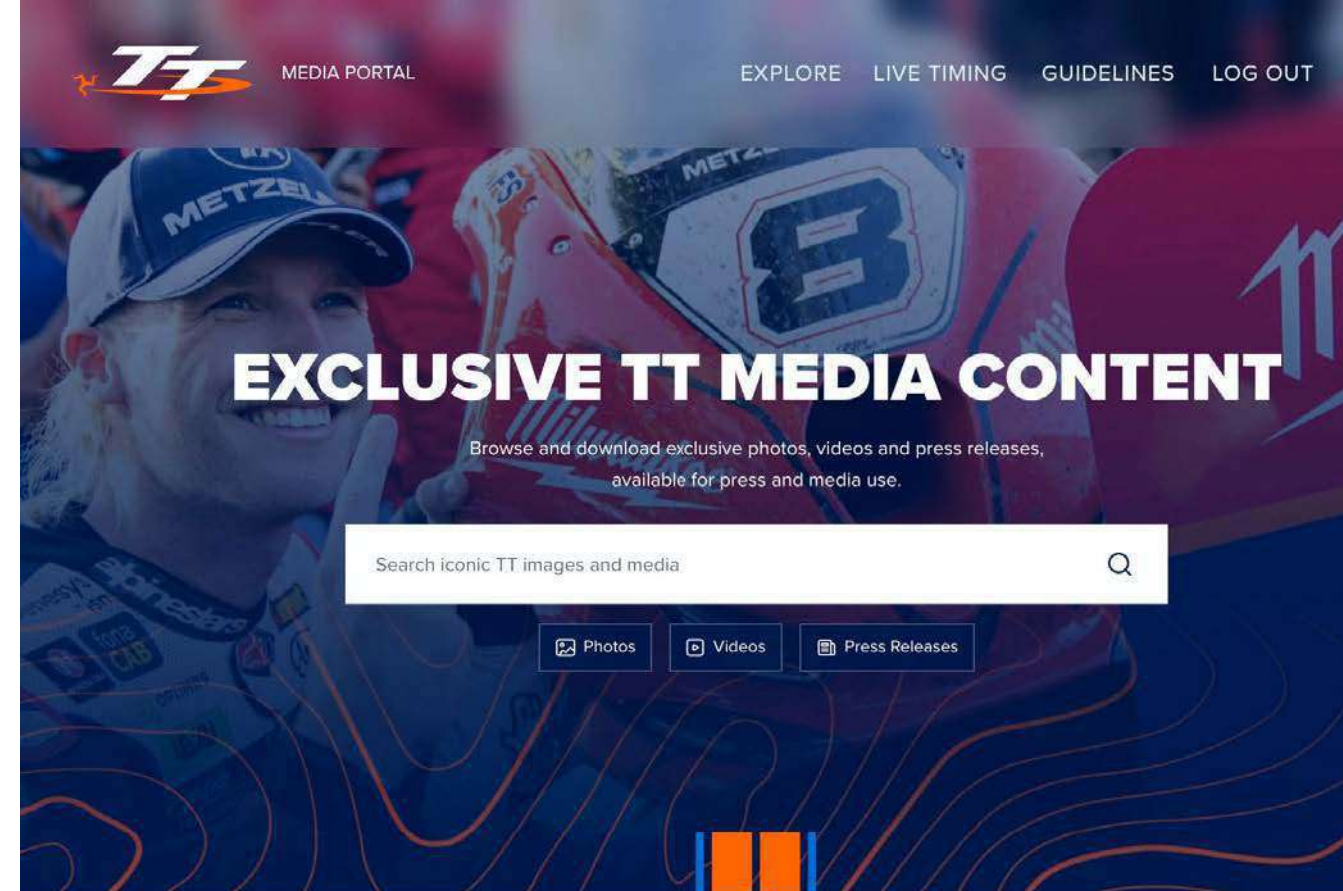

The Media Portal is the central hub for editorial and visual assets relating to the Isle of Man TT Races. It provides a fully searchable archive of official content dating back to 2007, alongside the latest material from the current event.

The site is updated daily throughout the TT, ensuring media have timely access to:

- Official press releases and race communications
- Event imagery, including the latest photography from on and off the course
- Supporting imagery issued alongside press releases

All imagery hosted on the Media Portal is supplied for editorial and media coverage purposes only. Images must not be used for commercial purposes without the express prior written permission of the TT Press Office.

Accredited media are encouraged to familiarise themselves with the Media Portal ahead of the event and to use it as their primary reference point for official releases and imagery during the 2026 Isle of Man TT Races

FILMING & VIDEOGRAPHY

As Commercial Rights Holders of the Isle of Man TT Races, the Isle of Man Government Department for Enterprise owns the rights to **any and all video content** captured in areas requiring pass or ticket access.

In addition, the Isle of Man Government Department for Enterprise owns the rights to **any and all footage** of, or relating to, the 2026 Isle of Man TT Races captured by persons assigned or in possession of any pass or ticket valid for the 2026 event, irrespective of whether the footage is captured from within an area requiring pass or ticket to access or not.

Filming is **not permitted** in areas requiring pass or ticket access, or by any pass or ticket holder, **without express and written permission** from an authorised representative of the Isle of Man Government Department for Enterprise in the form of a License Agreement.

License Agreements are granted on a case-by-case basis, with proposals being evaluated as to whether they are in the strategic interests of the Isle of Man TT Races.

[Requests for Licensed Footage and License Agreements can be made via the press accreditation site: press.iomttraces.com](https://press.iomttraces.com)

Any and all footage captured in areas requiring pass or ticket access or by persons in possession of a pass or ticket is referred to as Licensed Footage, and its use is subject to a License Agreement.

License Agreements typically only allow for the use of footage captured and supplied by the Department or the Department's contracted partners. Only in exceptional circumstances will a third-party be permitted to capture its own Licensed Footage.

License Agreements are subject to a License Fee. The Isle of Man Government Department for Enterprise **reserves the right to remove any content that contains Licensed Footage** from sale or publish if the requisite License Agreement is not in place, or if the content does not adhere to the terms of a License Agreement.

Any accredited media or media pass holder found to be capturing, publishing, or sharing Licensed Footage **without a License Agreement** or who is acting **in breach of the terms of a License Agreement** will have their **accreditation and pass revoked immediately**, and may not receive accreditation for any future events. This also extends to any individual using any other type of event pass who, in the view of the Department or Press Office, are acting in any media capacity.

The publication and/or distribution and or other exploitation of any footage, image or other audio-visual content (other than the time limited and defined distribution of footage permitted under this media accreditation and licensed footage agreement), including without limitation in or in connection with any documentary, docuseries, programme, episodic series or film (whether fictional or non-fictional) is expressly prohibited.

NOTE: Filming on behalf of competitors is permitted in line with the Competitor Media Policy. However, any content captured under this permission is strictly for use on the competitor's own channels and platforms in-line with the policy. This includes social media accounts, and team-owned digital platforms. Use of this content for third-party media, commercial, or broadcast purposes is not permitted without prior written approval.

MEDIA REGULATIONS

Media accreditation at the 2026 Isle of Man TT Races is for working professionals from the media industry only. By submitting a media accreditation application and, if approved, accepting any type of media pass, **accredited media personnel agree to the terms and regulations set out in this document**. Failure to follow information in this document or instruction from the TT Press Office will result in the withdrawal of pass access and accreditation.

Accredited media must conduct and present themselves in a professional manner at all times, and must follow the instruction of event officials and marshals at all times.

The Race Organiser operates a strict, zero-tolerance policy on alcohol or illegal substances for individuals operating in areas requiring pass access during periods of road closure for racing activity, which extends to accredited media personnel. Testing procedures will be commensurate with any current legitimate procedure adopted and carried out in the UK. The permitted level of alcohol is 0.00g/L. Testing may be carried out on any accredited media personnel upon request of the Race Organiser by means of the standard breath test system by the Race Organiser's nominated Breath Alcohol Technicians.

A non-negative breath test or a refusal to undergo a test within the requested timeframe will result in the withdrawal of pass access and accreditation.

The TT Press Office has zero tolerance for aggressive or abusive behaviour.

INFORMATION FOR PHOTOGRAPHERS

When operating around the TT Course, photographers are reminded to respect home and land owners, and to gain consent before accessing or operating from any areas of private land.

The use of remotely operated cameras is not permitted without the permission of the TT Press Office on behalf of the Race Organiser.

When operating in areas requiring pass access such as Media Green Zones, photographers are not permitted to sit or lie down at any time. Photographers are permitted to kneel on one knee, but are strongly advised to remain standing on two feet at all times.

When operating in areas requiring pass access such as Media Green Zones, photographers are not permitted to use headphones or earphones at any time.

Photographers are permitted to use ear protection, but this should not restrict the individual's ability to hear and follow instruction from event officials or marshals.

During qualifying or race periods, photographers must stay behind or well clear of any Recticel barriers or other protective infrastructure. Photographers must not stand in front of this infrastructure at any time and must not place any equipment or belongings on top of the infrastructure.

Photographers who capture images of any racing incidents or accidents must inform the TT Press Office and make their images available to the Race Organiser via the TT Press Office immediately. These images must not be published or distributed further without the express permission of the TT Press Office. In the event of a racing incident, support and welfare is available via the TT Press Office.

If you notice any other accredited media personnel acting unsafely around the TT Course or in an area that requires pass access, you should notify your nearest marshal or event official, or report it to the TT Press Office.

APPENDIX 1

MEDIA GREEN ZONES

Media Green Zones are being introduced by the Race Organiser from the 2026 Isle of Man TT Races. These are zones for use by accredited media personnel with the requisite pass and are within areas off limits to the public.

Each Media Green Zone has **specific boundaries, access points, and limits** on the number of media personnel that may operate from them at any one time.

When operating in or seeking access to a Media Green Zone, the **instruction of race officials and marshals** must be followed at all times.

Media Green Zones may only be **accessed via the access points detailed in this appendix unless instructed otherwise** by an event official or marshal.

Media and Media Plus pass holders must not deviate from the location detailed in this appendix.

PLEASE NOTE: Entering areas of Closed Roads beyond a Media Green Zone or crossing the TT Course is not permitted without the express permission of a Traveling Marshal (if present) or a Chief Sector Marshal with approval from the Clerk of the Course.

Media Green Zone capacities operate on a **first-come first-served basis**. In the event that you arrive to a Media Green Zone that is at capacity, you may be refused entry by an event official or marshal.

Failure to follow the information contained in this document or the instruction of an event official or marshal will result in the withdrawal of pass access and accreditation.

In case of any uncertainty with regards to the use of Media Green Zones, media personnel should contact the most senior marshal present.
